## Funeral Service Set For Cancer Victim; Interment In Iowa

Funeral services for Miss Nellie A. Ogle, late associate professor of business education, will be held today at 2 p.m. in Young's Memorial in Bowling Green. Miss Ogle died in Johnston Hospital early Sunday morning. The Rev. Murray Drysdale will officiate. Burial will be held in Des Moines, Ia. Since Feb. 19, Miss Ogle had been a cancer patient in the University hospital. She had expressed the wish that friends contribute to the American Cancer Society instead of purchasing flowers in her memory.

Miss Ogle was adviser of Cap and Gown, senior women's honor society; Quill Type, business education club; and the Women's Independent Society. She was also chairman of the Faculty Handbook Committee and a member of Pi Omega Pi, national recognition society in business education.

Miss Nellie Ogle

In Bowling Green, Miss Ogle was secretary and treasurer of the local branch of the American Ass'n of University Women and a member of the Sororist Club and the Women's Club.

Since fall, she had been studying German in preparation for a trip to Europe next summer. She had been abroad several times and had been in Central America, the West Indies, and the Hawaiian Islands. For several years, Miss Ogle had been writing a textbook on office dictation. It is incomplete.

During World War II, she mailed every month or two to scores of friends a mimeographed compilation of their letters from the war and home fronts.

For the last two years, Miss Ogle was editor of the Ohio Business Teacher magazine. Earlier she was state secretary of the American Ass'n of University Women and state director for the Dept. of Business Education of the National Education Ass'n.

Before joining the Bowling Green faculty in 1926, Miss Ogle had been a high school commercial teacher in Illinois and in Iowa.

She was valedictorian of her high school graduating class in Des Moines and a Phi Beta Kappa at the University of Iowa. Her master's degree was from the University of Chicago.

Survivors are a sister, Mrs. George Christofferson, of Ames, Ia.; a brother, Clarence, and a sister-in-law, Mrs. Lillian Ogle, both of Des Moines.

## Gamma Phi Wins WSSF Trophy For Contributions

Gamma Phi Beta won the George Poulis trophy for the largest contribution to the World Student Service Fund drive with 425 points.

Although the Women's Independent Society collected \$85.50 the night of the carnival to Gamma Phi's \$75, the latter piled up points by turning in 180% of their quota for membership donations. Gamma Theta Nu was third at the carnival with \$45.

First in carnival decorations was the Gamma Phi; second, Alpha Phi; and third, Pi Kappa Alpha.

In order of total points for the drive, the first ten are: Gamma Phi Beta, Delta Gamma, WIS, Gamma Theta Nu, Men's Independent Society, Phi Mu, Alpha Xi Delta, Kappa Delta, Chi Omega, and Sigma Rho Tau.

Total income from the entire drive was \$840.

## APHIO Continues Testing Saturday

Alpha Phi Omega, aided by the Pre-Med Club, will run blood tests Saturday from 1 to 4 p.m. in 305S.

The purpose of this blood test is twofold. First is to build up a ready blood bank to supply district hospitals and doctors in cases of emergency, in-so-far as there is no blood bank in the Northwest district of Ohio.

Secondly, a record of blood type will also afford protection to the donor since blood could then be gotten for him more readily in case of need.

Alpha Phi Omega will send out notices to all housing units this week informing everyone of the test.

## NEWS Takes High Ratings At Cincinnati

At the 24th annual Ohio College Newspaper Ass'n convention held at the University of Cincinnati this past weekend, the BEE GEE NEWS was awarded two high ratings among the 33 member colleges and universities.

The NEWS was judged the second best weekly paper for schools over 1500 enrollment, and an article by NEWS Sports Editor Charles Albury and Emery Westfall was named the third best sports story throughout the state. The story was on the migration to the TU-BG Peace Pipe game Feb. 22.

In receiving its high ratings, the NEWS was ranked under the Cleveland College Life, but over the third place Ohio Wesleyan Transcript and the Xavier University News and Cincinnati News-Record, both honorable mention.

In addition, the NEWS also received word yesterday from the Associated Collegiate Press that it was awarded a "first class" or "excellent" rating among all the country's collegiate newspapers. This honor is second only to the rating of "All-American."

Some two hundred delegates, representing approximately 26 of the 33 member schools, attended the 2-day session of panel discussions. The largest delegation was a group of 38 from Ohio Wesleyan. Nine attended from Bowling Green.

The climax and final session was the banquet Saturday night when awards were announced. Principal speaker for the evening was Charles P. Taft, brother of U.S. Sen. Robert H. Taft.

## Greek Week Banquet Planned For Tonight; Graduate Speaks

Beginning with the Greek banquet tonight at 6:30 in the Commons, three activities will highlight the annual Greek Week being conducted this week.

The fraternity May Sing will be held Thursday night in the Men's Gym, and Friday night the Greek picnic, for Greeks and their dates, will climax the festivities.

The Rev. Kermit Long, minister of the Trinity Methodist Church in Chicago, and a 1939 BGSU graduate, will be the guest speaker at tonight's banquet, sponsored by the Wood County Interfraternity Club. Reverend Long, who was a member of the Commoners fraternity, now Pi Kappa Alpha, was also president of his graduating class.

He recently delivered a guest sermon at the local Methodist Church.

REV. KERMIT LONG

I. William Miller, director of the alumni bureau and the bureau of appointments, and also president of the WSIC, will be toastmaster.

Thirteen fraternities will compete for the WCIC plaque award in the May Sing Thursday. The contest begins at 7 p.m. Sigma Chi won the event last year.

Judges are: Karl Roider, Ohio Northern University; Clarence R. Ball, and William Engelke, Toledo.

The picnic is scheduled for 8 p.m. Friday at the field east of Urschel Pond. Refreshments will be provided, with the fraternities bearing the expenses.

## Car Regulations Revised For UA Prom; Nest Open

Car regulations for those attending the UA Prom May 27 will be waived from 9 p.m. to 2 a.m. within the Bowling Green city boundaries, Dr. Frank J. Prout announced yesterday following a request submitted to him by Student Senate.

Also, Dr. Prout approved the request that the Nest and Commons be open that night to serve refreshments. The Nest will be open from 9 p.m. to 2 a.m., and the Commons from 11 p.m. to 2 a.m.

Previously, it had been tentatively planned to have the "Campus Hideout" open, but, owing to previous difficulties, the Junior Chamber of Commerce has declined to accept the responsibility.

Under the rules for Prom night, only those women attending the dance may ride in cars, and then they cannot leave the city limits without the normally required special permits.

## Key Distribution Begins Thursday

KEY distribution begins Thursday, according to Al Rosenberg, editor. For further information, see story in last Friday's issue of the NEWS.

## OIB Concert Appeals To Small Audience

By BOB ALBERTS

A vivacious, personable Morton Gould conducted the Ohio Intercollegiate Band through seven numbers of his own composition before a small audience estimated at 600.

A cold Sunday afternoon rain kept many away but those in attendance heard the witty Mr. Gould introduce each selection and then conduct them with an infectious enthusiasm.

The program opened with Mr. Arthur Williams of Oberlin College conducting "An Outdoor Overture" by Aaron Copland. Jack Evans of Ohio State led the band in "Wilderness Road" followed by "Legend" with Charles Gilbert of Bowling Green conducting. "The Skyliner March" conducted by Charles Harris of Toledo University completed the first part of the program.

Mr. Gould, without the aid of a baton but with the use of body English, conducted the band through his own "Cowboy Rhapsody," "Ballad for Band," the ever popular "Pavanne," and "Fourth of July."

He finished the program with "Deserted Ball Room," the story of a skeleton dance in an empty ball room, and "Jericho Rhapsody," after the biblical story of the tumbling "Walls of Jericho."

The 90 members of the band represented 13 Ohio colleges including Akron University, Baldwin Wallace U., Bowling Green, Kent State, Otterbein, Ohio State, Ohio U., Ohio Wesleyan, Toledo U., Oberlin, Youngstown College, Denison U., and Ohio Northern.

Representing Bowling Green were: Nancy Church, flute; I. Roderick Simpson, oboe; Phyllis Jones, bassoon; Jim Loomis, Margaret Wepler, and Joan Barnhill, B flat clarinets; Ervin Emery, alto clarinet; Charles Jones, saxophone; Bill McDonald, trumpet; Joyce Cook and Gwen Mackell, french horns; Douglas Hartzell, trombone; Robert Conroy, E flat bass; and Ned Prucha, snare drum.

## Elimination Of Long Walks Seen; Departments Moving

Moseley Museum will be housed in part of the fourth floor of Moseley Hall (the old Science Bldg), Registrar John W. Bunn has announced.

It is expected that it will be completed by the summer of 1951. Space for the museum will be available because of the number of departmental moves that are to be made with the completion of the new Chemistry Bldg.

Also to be housed on the fourth floor of Moseley Hall will be part of the biology department.

The moves of the various departments and their sections will be accomplished throughout next school year after space vacated by one department is made useable for the incoming one.

The majority of the work on the Chemistry Bldg. will be completed by September, Mr. Bunn said.

After all the moves are made the department line up in Moseley Hall should read: first floor—sociology and biology; second floor—physics; third floor—biology, and the museum and biology on the fourth floor.

Some classrooms and offices in the Psychology Bldg. will be moved to the Chemistry Annex after it is vacated. Psychology clinics now housed in the Lab School will then be moved into the Psychology Bldg.

The long walk to the Graphic Arts Bldg. for engineering drawing will be eliminated with the move of classrooms for those courses to the Men's Gym.

## Sigma Chi Derby Starts Saturday

Derby Day, an annual event sponsored by Sigma Chi fraternity, will be held Saturday afternoon at the Lab School playground. All campus social groups are invited to participate in the affair.

Contests scheduled for this year are a three-legged race, egg-tossing contest, tug-of-war, and a mystery event, and others.

Trophies will be awarded to each of the men and women's organizations garnering the highest number of points during the afternoon.

Jim Milburn is chairman of Derby Day and judges will be the housemothers of Alpha Tau Omega and Gamma Phi Beta, last year's winners, and Mrs. Smith, the Sig housemother.

## Two Sic Sic Members Named

MYRON JACKSON  
AL ROSENBERG and Myron Jackson, pictured above, have been disclosed to the NEWS recently as being the senior members of SIC-SIC. The organization is also composed of two other members from each class which will not be revealed to the public.

## Quacks On Golf Course Not All Golfers; Duck In Pond

By EMERY WESTFALL

Besides the extra water from unseasonal weather, Powell's Pond has a new addition. And it goes "Quack."

Yes, about eight pounds of duck (when dry) answering to the name of Henrietta has been added to that tiny body of water that makes the No. eight hole on the golf course so hazardous.

Those golfers and other persons who have been fortunate enough to see Henrietta swimming contentedly about the pond may wonder about her.

We don't know too much about her life before she came to the WSSF Carnival a few Friday nights ago, but that night, for the sum of \$1.50 Dale McOmber, an instructor in political science, and Henry Millonig, student, bought her at the auction booth. For a while after that Henrietta's life almost wasn't her own.

On the following Sunday Henrietta was to be the main event at a dinner for these two young men. However, when it came time for Henrietta to be decapitated, no one was available for the job. All those fellows at the Pi Kappa Alpha house who were so willing to share a meal over Henrietta's dead body were no longer around to help with the slaughter.

On the same afternoon that the beheading was scheduled to take place, Henrietta was taken for a swim in the nearest body of water, Powell's Pond. Here she seemed to enjoy herself so much that when it was time for her to come out she didn't want to. For her unlady-like attitude Henrietta was sentenced to spend the rest of her life with "quackers" and water. You see, there are about fifty other ducks on the pond too, all wild.

Although these ducks won't come too close to each other, Henrietta and her amphibious friends do seem to enjoy each other's presence.

When queried as to how she felt about being the only female allowed near the golf course after dark, Henrietta just ruffed her wings as if she were trying to fly and said, "Quack."

## SIC SIC...

Now that the senior members of SICSIC have been disclosed to the student body by the NEWS, everyone can stop guessing who they were and also can quit going around accusing certain people of being SICSIC. It was getting to the point that whenever a student stayed out after 1 at night he was immediately suspected of being a member of this group and his actions were carefully watched by his associates.

We have needed SICSIC at times because of mistakes they have made or because there were certain things that we felt should be but weren't done. Some persons have said it wasn't ethical to attack a group that could not defend themselves, but we have never felt that way because any organization that is secretive immediately lets itself open for possible discovery.

Many students still don't know for what purpose SICSIC was created. We shall not attempt to tell what that purpose is but rather we refer any interested persons to the letter from the two senior SICSIC members, Al Rosenberg and Myron Jackson, appearing elsewhere in today's issue.

Letters To  
The Editor...

In accord with the policy of this paper, opinions expressed in letters to the editor are not necessarily those of the BEE GEE NEWS.

To Students and Faculty:

I would like to extend my thanks for your cooperation in making the World Student Service Fund drive as successful as it was. Special thanks should go to Bob Conschaffter, Gene Veverka, and George Konold who have given so much of their time and energy in planning the events that made the drive possible. A word of appreciation and thanks are also in order to the staff of the BEE GEE NEWS. The Alpha Phi Omega and SCF deserve special praise for their cooperation in the drive.

Congratulations to Gamma Phi Beta for their splendid showing and thanks to the many organizations who put forth much appreciated effort.

It is my hope that next year there can be a drive set up to aid all charitable organizations at once. This should include only those who wish to join in, and all others should be refused the chance to receive donations on our campus. I believe there would be more cooperation and more interest if the students and faculty members could put all effort and donations into one week.

Thanks again for your cooperation.

Yours in service,  
James Milburn  
WSSF Chairman, BGSU

Dear Sir:

We would like to take this opportunity to publicly thank the faculty members who were such good sports in allowing the students to throw wet sponges at them in our WSSF booth. They are: Robert T. Austin, Henry W. F. Bruns, Mrs. Lee Z. Hafkin, Floyd Hofaker, Howard H. Kane, Norman G. Keig, Robert E. McKay, Dale R. McOmber, John A. Shaw, H. Glendon Steele, Philip R. Wigg, and Bernard J. Wright.

It is good to know that we have so many on the faculty who will participate in student events.

Sincerely,  
Ernest Jackson  
Secretary  
Men's Independent Society

Dear Bill,

The Senate wishes to express its thanks for the cooperation the Bee Gee News staff has given us in the recent Grass Campaign. Without your help in making people aware of the situation, much less could

be accomplished toward making the campus a more attractive place. Thank you.

Very sincerely,  
Nancy Hickenlooper  
Secretary

To the student body:

Now that our identity is known, we, the two senior members of SICSIC, would like to present a few facts and stories to the student body. For the past three years we have been striving in some small way to urge students through visual means to back their Alma Mater in all of its activities. The six men of SICSIC have a real challenge; the need for bolstering school spirit is ever present and results of our efforts are very hard to measure.

None of the six men are working for personal glory, under the present glory, under the present set-up of secret identity, that is evident. SICSIC is working for the very same thing that each and every student of Bowling Green desires, the type of enthusiasm for University activities that draws capacity crowds and stirs pride in all.

We have had a lot of fun and now as we prepare to leave the organization we would like to see the other members gain something that we feel we have lacked in the past—your wholehearted support not necessarily for our activities but for the activities of the University, actually for yourselves.

The measure of our success as a school spirit booster will be just as great as you, the student body, make it. Keep your eye on SICSIC in the future and put your heart into all University functions.

Sincerely,

Myron Jackson and  
Alan Rosenberg

Elizabethan Styles Still  
Seen In Modern Clothing

A touch of the Elizabethan manner and class are still present in our modern attire in the now popular "buskin" shoes. In Shakespeare's time they were a type of gaitered boot or sandal which was associated with gods and goddesses. The young men, however, could not depend on our present day suspenders because they were not yet invented. Instead,

New Officers Of  
Singers Elected

Elected president of the Treble Clef for 1950-51 was Marilyn Mercer, a junior whose home is Bowling Green. Helen Mueller, Cleveland, was elected vice president.

Barbara Francis was elected publicity director of the choral group.

A secretary, stage manager, and librarian were appointed for each of the Treble Clef's two groups. New secretaries are Pat Thompson and Bonnie Smith.

Ruth Bowen and Dorothy Foster were appointed stage managers. Librarians are Jo Warner and Muriel Hutchison.

Phyllis Knapp is the group's new historian.

Dr. J. Paul Kennedy appointed Janice Fuller and Edith Ludwig student conductors of the Treble Clef. He appointed Mary Ann Hodge business manager.

Elections were held April 24.

Official  
Announcement

This column will hereafter contain announcements affecting the student body.

Veteran's purchases at the bookstore will be closed May 15. Any veterans needing supplies should procure them by that date.

All groups planning hayrides are reminded that all such events must be scheduled in the social committee office and the required number of recognized chaperons should be reported by Wednesday noon before the planned event.

All men interested in joining the Marine Corps Reserve should meet Colonel G. R. Lockard in the Well Friday, May 5.

Colonel Lockard will give physical examination and swear men into the service.

## Hospital

Janet Jackson, sophomore, underwent an emergency appendectomy Tuesday morning in Johnston Hospital. Her condition is reported as good.

Workshop Play  
Slated May 10

Workshop Players will conclude their activities this year on May 10 at 7:30.

Three one-act plays and a 1/2 hour dance drama, under the direction of Miss Joan Brodie, will be presented in the Gate Theatre.

The Workshop Players are working in cooperation with Miss Brodie and members of the women's physical education dept. to present an unusual and entertaining program.

Caley To Speak  
At Chemist Club

Dr. Earle R. Caley, vice chairman of the Department of Chemistry at Ohio State University, will speak at a meeting of the Chemical Journal Club, Wednesday, May 3, in Room 400 of the Science Bldg. The public is invited.

Dr. Caley will speak on the "Applications of Chemistry to Archaeology," a subject upon which he is a recognized authority. Dr. Caley will also be honored at a dinner in the University Club at 6 p.m.

Future Dietician  
Gets Position

Miss Shirley Woolf, Cleveland, will go to Washington, D. C., to begin the apprentice training program of the National Restaurant Ass'n after her graduation in June.

Her employer at the Hat Shoppes will be the president of the NRA, J. Willard Marriott.

## Sports Day Planned

Forty-three high schools were represented at the 11th Annual Northwestern Ohio Sports Day April 29. The students participated in organized softball and volleyball games and had use of the pool for recreation.

University students demonstrated volleyball and basketball and the Modern Dance, Tap, and Swan Clubs presented several numbers from their recent shows. Barbara Bottenus of Cleveland was general chairman and Miss Dorothy Fornia, general faculty adviser.

## Quill Type Banquet

Quill Type will sponsor an alumni banquet on Saturday, May 6, at 12:30 at the Methodist Church.

Dr. Walter A. Zaugg will be the principal speaker, Miss Everingham will be guest soloist, and Dr. E. G. Knepper will serve as master of ceremonies.

There will be a short get-acquainted period before the dinner.

## What A Relief!!

by BOB SMITH

An interesting observation of the recent Student Senate election brought forth one voter's rather radical choice of Senate "cogs." One of the 40 ballots disqualified for incorrect voting procedure was marked thusly: "X President, Dr. Prout; X Vice President, Dean Conklin; X Secretary, Mr. Bunn; and X Treasurer, Mr. Kreischer." How interesting!

WE SPENT last weekend in Cincinnati attending the annual Ohio College Newspaper Ass'n convention, along with eight other

NEWS staff members. Per usual convention routine, we also returned consider a bly "spent."

The usual stormy business meetings, discussion groups, parties, baseball games (the Reds were at home), informal across-the-table discussions over the purest of "suds," etc., comprised the agenda. Friday night the delegates were guests at the University of Cincinnati intersquad football game that climaxed their spring practice sessions.

While in the famous beer town, we were informed by the press and radio facilities that the Bearcats are now going "big time," with the scheduling of the University of Hawaii in a home-and-home series starting in 1951. Wonderful. We're interested now in learning of when the "Pineapple Boys" last won a football game.

Realizing that we can't be considered a so-called expert in gridiron prognostications, we feel like sticking our neck out with this revelation (with the pardons of the sports editor):

We don't think that the Bearcats are quite ready to break into big time football, Head Coach Sid Gilman or no.

However, keep your eyes on the Bearcats of '52 and '53. The freshman squad, which included the "transfer" gridders Gilman is accused of stealing from Miami University, made a very impressive showing in holding the varsity to a 21-0 victory Friday night.

STOP ME if you've heard this one, but—What well-known, "skinned" radio and screen comedian said over a nation-wide radio hook-up recently: "Bowling Green State University, the only college in the country where you can kick at the bushes and they kick back at you!"

TRUCE is out. Before too many more students go leaping off the bridge at Powell's Pond, maybe a clarification of the friendly relationship between Editor B<sup>11</sup> Day and yours truly is in order. We were only foolin'. (Surprising what editors will do to gain readership.)

## "The Noon Whistle"

by NANCY NOON

### OR WAS IT INTENTIONAL?

A radio announcer became rather confused while giving a weather forecast last week. Intending to say "continued cloudiness," he declared that listeners in the area could look forward to "continued lousiness."

### SPRING FEVER EFFECTS FACULTY YET

Mim Kershner and Phill Wigg, instructors in the art dept., announced their engagement April 23 at a picnic for several faculty members at Sidecut Park near Maumee.

However, Will Wankelman, chairman of the art dept., was not as surprised at the announcement as he should have been. It seems that a day or so before the picnic, a letter addressed to a hotel in Cuba was returned to the art office because of insufficient postage. He suspected that Mr. Wigg might have written it, inquiring about accommodations for the wedding trip.

After the announcement was made, Mr. Wankelman produced the letter, handed it to Mr. Wigg, and remarked to Miss Kershner, "The least you could do is marry a man who can afford to buy stamps."

The wedding, by the way, will take place Saturday, June 10, in the local Presbyterian Church. The reception will be held in the gallery of the Fine Arts Bldg.

### FLATTERY WILL GET YOU NOWHERE

Mrs. Hafkin tells this story. Former Dean of Women Audrey K. Wilder was reprimanding a certain coed, and in the course of the lecture told her, "You're very sophomoric." (Meaning immature, superficial, etc.)

"And just think," exclaimed the delighted girl, "I'm only a freshman!"

### PINNED PAIRS

Jane Winfield and Frank "Chick" Danaher are pinned, as are Norma Herge and Ernie Raber, Mary Carty and Bob Korn, Donna Winters and Harry Featherstone, Gladys "Gig" Gerhardt and BEE GEE NEWS Business Manager Les Grube, and Loretta "Ski" Karwinski and August "Knobby" Knobach.

## Golfers Match Shots With TU Rockets Today

Weather permitting, Bowling Green's golf team moves north today to face Toledo's strong squad at Highland Meadows Country Club.

The Falcons will be out to avenge a pair of setbacks suffered at the hands of the Rockets last season but will have to pull out all the stops to mark up a victory.

Don Kennedy, Frank Pawlicki, and Ray Lippman are back to spearhead the TU linksmen who won 14 matches and lost only two last year.

Coach Don Cunningham's golfers found Michigan Normal's mashie artists too much of a hurdle Saturday and fell by on a 11½-6½ count in the season opener. The Hurons had previously beaten TU, 11-7.

Jack Chapman was the only Falcon individual winner, firing a sparkling 74, two over par, to take three points from his opponent. Chapman teamed with Hooper Jones to capture 2½ points in the bestball scoring.

Hugh Skelly got ½ point by holding his opponent even over the second nine holes. Chuck Albury lost all three points to the Normal No. 3 man.

Albury and Skelly's second nine bestball was good for a tie and the other ½ point.

Earl Burt was the day's medalist, turning in a fine 73 against Jones. Normal will visit Bowling Green May 20 for a return match on the local country club.

## SAE Sweeps Two Matches In Horseshoes

Sigma Alpha Epsilon swept through a pair of horseshoes matches last week without losing a game. The SAEs blanked Kappa Sigma 6-0 on Wednesday, then shut out Beta Sigma by the same count on Friday.

Against Beta Sigma: Roger Sutherland and Paul Rice won 18-21, 21-11, 21-9; Al White and Bob Puchalla took an easy 11-0, 21-7 victory; and Jack Galvin and Nick Petroff were 21-10, 21-5 winners.

Kappa Sigma took the other Friday match, a 4-2 decision from Delta Tau Delta. Lowell Rogers and Chick Danaher won 16-21, 22-20, 21-12 in a hard fought match, while Art Miller and Norm LaFont came out on top 21-15, 21-16.

Duane Cassidy and Don Doran scored the DTD points with a 21-18, 17-21, 21-18 win over Marty Young and Bob Swarthout.

Other games last week found Delta Upsilon beating Pi Kappa Alpha, 4-2, Thursday and Chi Alpha taking Beta Sigma by the same score, Wednesday.

Bowling Green's 1947 golfers had a record of eight victories against four losses.

# Netters Bowl Over Northern, Lawrence Tech

By BILL GREENHILL

Bowling Green's netmen swept two matches over the weekend, defeating Ohio Northern 9-0 on Friday and Lawrence Tech 5-4 on Saturday.

The triumph over Ohio Northern was the first victory of the season for the tennis squad. They had been unable to win in three previous matches.

Tennis mentor, Vern Lerch, feels that from what he has seen this year, next year's squad should be one of the best.

The team is gaining experience under match conditions, which is one thing that several members of the squad lacked. Coach Lerch will have five men returning next spring.

Results of the Ohio Northern match were: Singles: Pickett over Murphy (ON) 6-1, 6-0; W. Smith over Herman (ON) 6-1, 6-4; Barr over Gilder (ON) 6-0, 6-0; Burbridge over Stuckey (ON) 6-1, 6-2; Cook over Goldin (ON) 6-2, 6-2; Miller over Prinz (ON) 4-0 (default because of injury).

Doubles results were: Pickett-Miller over Murphy-Gilder (ON) 7-9, 7-5, 8-6; Barr-Smith over Hall-Stuckey (ON) 6-3, 6-1; Burbridge-Cook over Goldin-Herman (ON) 6-1, 6-2.

Saturday's match was closer, ending 5-4, in the Falcons' favor. Singles: Pickett over Landis (LT) 6-4, 3-6, 6-0. Smith over M. Smith (LT) 6-3, 6-1; Burbridge over Swiecki (LT) 1-6, 6-4, 7-5; Cook over Malpass (LT) 3-6, 6-3.

6-4; Ryder (LT) over Barr 3-6, 6-3, 6-4; Cromwell (LT) over List 6-0, 1-6, 6-0.

Doubles: Barr and Smith over Ryder and Swiecki (LT) 6-2, 6-2; Landis-Smith (LT) over Pickett-Miller 6-4, 10-8; and Malpass-Cromwell (LT) over Burbridge-Cook 6-3, 6-3.

## Games Postponed

Fraternity softball games were cancelled last Saturday because of High School Girls' Sport Day. The games will be played Saturday afternoon.

## Baseball Team Plays Quartet In Five Days

Coach Warren Steller's baseball team undertakes the busiest part of their season today when they go to Lawrence Tech for a game. Within the next five days the Falcons will play four times.

Tomorrow the locals play host to Findlay in a contest scheduled for 3:30 p.m. Friday Bee Gee goes to Defiance and winds up the week with a game at Wayne on Saturday.

Lawrence Tech was defeated two out of three times last season. Little is known about this year's edition. The Falcons routed Tech here early in '49, 13-0, then split a double bill there later in the season, winning the nightcap, 12-7, after dropping the opener, 3-4.

Ray Hegstrom will probably get the call today. Coach Steller has indicated that he will take a larger traveling squad than usual in an effort to make some headway toward cutting the team to a workable number. Weather conditions have prohibited this so far.

Lou Cross should be on the hill tomorrow when the Oilers come to town. Findlay is rated the team to beat in their conference but no scores have been reported on the visitors yet this year.

Eli Joyce and Bill Stough are being prepped as possible starting hurlers and one of them may get the nod against Defiance Friday, a team BG whipped here last week, 10-3.

Freshman diamond candidates will probably swing into action this week. Tentative plans call for the frosh to report during their free hours to a pair of practice teachers who are assisting Coach Steller.

Lack of additional diamonds will make practice in conjunction with the varsity difficult. The yearlings may play some games later with nearby colleges and Toledo Federation teams.

## Sidelining ...

with CHUCK ALBURY

There are probably times when Dave Matthews wishes he had at least double the usual number of arms, legs, and eyes given to man. Actually, I doubt if the sudden addition of these extra limbs would be of much real benefit to Bowling Green's young Intramural Director and head track coach. He would more than likely try to do more things and end up

not provided for hiring officials and often the members of the refereeing class are learning the sport while they work a particular game in the early season. If the teams will remember that the official is calling them as he sees them a lot of fruitless arguing can be done away with.

Looking at the huge intramural program that BGSU sponsors, it's easy to see why Dave is one of the busiest men on campus. So far this school year he has arranged play in touch football, tennis, volleyball, basketball, and handball. For these events, split into fraternity and independent divisions, 203 teams competed in 33 leagues.

The one day golf meet drew 20 teams while the recent swimming meet had 15 outfits entered. This spring's schedule calls for league play in horseshoes and softball, a golf driving contest, and fraternity and independent track meets.

To handle this vast program, Dave utilizes the members of his course in Intramural Athletics, assigning each man to manage a particular sport, keep records, check games, and generally watch over the competition.

There are also field supervisors who keep in close touch with play by attending the various sessions and reporting back to Dave. One man is in charge of assigning referees from the refereeing class for all the contests.

Officiating is still a sore spot for the Intramural program and comes in for much criticism. It should be remembered that funds

are not provided for hiring officials and often the members of the refereeing class are learning the sport while they work a particular game in the early season. If the teams will remember that the official is calling them as he sees them a lot of fruitless arguing can be done away with.

## A BARTLETTGRAM—

Tom Bartlett Says:

THE GAME OF SELLING... Now that graduation is nearing you will be thinking about that job... and jobs ain't easy to get now days... even with teachers... You must be better or be able to convince some one that you are better... KNOWLEDGE is necessary... yes in what you have to offer in the way of service... knowledge of yourself and ability

... knowledge of the place you want to take, that is be able to speak the language of the employer and CONFIDENCE in yourself, your education, your ability, your methods and just what you can do for the employer... KNOWLEDGE and CONFIDENCE are two essentials in salesmanship and if you have them they will help you to reach that goal you desire... For information on Lumbermen's see Charles E.
